JOURNAL OF MOUNTAIN AGRICULTURE ON THE BALKANS is a bilingual journal issued six times a year by the Research Institute of Mountain Stockbreeding and Agriculture (RIMSA) in Troyan, Bulgaria. Its scope includes basic and applied researches relevant to agriculture and stockbreeding in the mountain, hilly and lowland areas in Bulgaria and abroad. JMAB is an international free open access web based scientific journal dedicated to the publication and discussion of high-quality research in the field of Stockbreeding, Forage Production and Grassland Management, Annual and Perennial Plants and General Agriculture. It publishes original scientific papers, overviews and short communications which are doubleblind peer reviewed.
